## **DSM 5 and ASD: Criteria and Controversies**

**Date:** 27-Feb-2014

### **Event Details**

Join us for a wine and cheese networking event with [Dr. Judith Aronson-Ramos](#) to discuss the newly published DSM 5, Autism Spectrum Disorder (ASD) and controversies surrounding the new diagnosis.

- Review key differences in DSM-IV vs. DSM-5
- Examine the rationale for changes to diagnostic criteria for ASD
- Discuss potential impact of these changes on clinical medicine and areas of controversy
- Offer a Developmental Pediatrician's perspective on DSM 5

The event will be held at our Palm Beach Gardens campus at 6:30 p.m.:

10435 Riverside Drive  
Palm Beach Gardens, FL 33410

Please call (561) 626-2262 to RSVP

**Limited Seating**
